June 26<sup>th</sup> - June 30<sup>th</sup> 2023  
Royal Waterloo Golf Club  
BELGIUM

Dear players, captains and officials,

On the 100<sup>th</sup> anniversary of its foundation the Royal Waterloo Golf Club, one of the most beautiful golf courses in Europe, created in 1923, will host the 32<sup>nd</sup> Marisa Sgaravatti Trophy and the 9<sup>th</sup> Masters Team Championship.

All 17 ESLGA members have confirmed their participation in Marisa Sgaravatti Trophy, and 12 teams will play the Masters Team Championship.

Belgium is organizing our tournaments at Royal Waterloo GC for the third time, the first one was in 1993. I want to thank the Belgian Senior Ladies Association AGSDB and the President of the golf club for welcoming ESLGA players in 2023.

I wish all the players a week of sport, fun and friendship.

*Alessandra Zoboli*  
*ESLGA President*

Dear competitors,

It is an honour and a great pleasure for the Royal Waterloo Golf Club to organise for the third time the Marisa Sgaravatti Trophy in 2023.

This is the first time that the Royal Waterloo Golf Club will host the championship on the beautiful Lion Course. The course has been designed in the year 1980 by the architect Baron Paul Rolin and reshaped by Martin Hawtree in the beginning of the year 2010.

The Royal Waterloo Golf Club will be pleased to offer the best conditions for you to enjoy a great competition and pleasant stay.

We wish you a successful competition.

*Jean-Pierre Maisin*  
*President Royal Waterloo Golf Club*

Dear friends,

We are delighted to welcome you all once again for the 32nd Marisa Sgaravatti Trophy and the 9th European Masters Team Championship.

It is an honour to host you for the 3rd time at Royal Waterloo Golf Club and to be part of their centenary celebrations. This year you will be playing on the Lion, a beautiful but challenging course. I'm sure you will enjoy a great golfing moment.

We would like to thank all those who have contributed to the organisation, and we hope you will all go home with many happy memories of a great sporting occasion.

It is a real pleasure for me to be the patron of the 2023 Marisa Sgaravatti Trophy and the European Masters Team Championship and I wish the organizers and the teams from all over Europe the best of luck.

*President of the A.G.S.D.B.*

#### 10. Substitutes

Substitution of any of the five players is allowed for any reason. For the teams with 4 players, if after the start of the championship a substitute player is required, only for reasons of illness, injury or exceptional grounds acceptable to the Tournament Committee, the Non-Playing Captain, as long as she conforms with the eligibility condition, will be permitted to become a Playing Captain and she will take the position of the player she substitutes.

The Tournament Committee must be notified immediately of any change in a team.

**Qualification phase:** If a substitute player is brought in, the Tournament Committee must be notified 30 minutes before the first teeing off time of the player being replaced.

**Sanction:** disqualification of the player

**Match play phase:** if a substitute is brought in, the Tournament Committee must be notified 30 minutes before the first teeing off time of the team. Only if the substitute is brought in on the day of the match, the substitute will play as the last player, the others moving up in the original draw.

**Sanction:** loss of the match

## 11. Rules

The rules of golf will be the ones defined by the R & A Rules Limited and the United States Golf Association as well as those established by the local Tournament Committee.

- a) A player may only take advice from her caddie or an appointed team Captain. Such a person must be identified to the Tournament Committee prior to the start of the championship and must be an Amateur as defined in 3(a) above.
- b) The use of golf carts is allowed as long as the host country has enough golf carts for all players. If there are not enough carts, 1 cart per country is allowed. Further use is allowed as authorised or later approved by the Tournament Committee.
- c) Slow play rules will apply to this championship. At the Captains' meeting prior to the championship a standard will be set for the speed at which the game will be played. Sanction following Committee Procedures, Section 5H (Rule 5.6).
- d) Caddie – see Rule 10.3 Caddies – Everyone can have the caddie of her own choice with the exception of professionals (coaches). Fellow team members and team Captains will be allowed.
- e) Team Captains are authorized to give advice. If the captain is a player, while playing she may not give advice to a teammate other than her partner (Rule 10.2). Similarly, when the captain is not the caddy of the player, she is not authorized to go on the greens.
- f) The Tournament Committee reserves the right to amend the Rules and Conditions should it be necessary.

## 12. Practice

There are no restrictions for practising before the competition. In the practice round, only one ball per player is allowed except on Par 3's and with lost/provisional balls.

## V SPECIAL RULES

### 13. Drug abuse

The guidelines of each member country with regard to drug abuse are applicable to all European Championships and International Matches. The

host country should inform the participants about the rules of conduct on the notice board before the championship starts.

### 14. Disqualification

A team disqualified automatically assumes last place in the championship.

### 15. Failure to start – starting time

The player must start at the time established by the Committee.

Rule 5.3a shall apply: If the player arrives at her starting point, ready to play, within five minutes after her starting time, the penalty for failure to start on time is two strokes penalty at the first hole in stroke play. Otherwise, the penalty for breach of this Rule is disqualification.

### 16. Play suspended because of bad weather

a) If the qualifying round is washed out, the qualifying round will be played on the second day and match play on the third day as follows:

Flight of 4 3 vs. 4

1 vs. 2

Flight of 3 2 vs. 3

- b) If two days are washed out, the championship will consist of only one stroke play round over 18 holes.
- c) If the first two days are playable and the last day washed out, the qualifying round will be played on the first day and match play on the second day (see a).
- d) If two matches are washed out, the only match that has been played counts for the final result. If one match is washed out, and the result of the two matches being played is a tie, the result will be defined by ups.
- e) The Tournament Committee reserves the right to make a decision in equity when it is impossible to complete a match or series of matches in accordance with the Rules of Golf, following the Guidelines for Team Matches from the R & A Rules Limited.

### 17. Use of walkie talkie, mobile phones and other communication devices

Walkie-talkies are for use by the Tournament Committee officials only. The Team Captains are not allowed to use them.

Use of mobile phones by a player, caddie or team Captain on the golf course is not recommended, except for GPS reasons. However, in case of emergency or danger (for medical reasons etc.) or

to call the Tournament office, a mobile phone may in these exceptions be used. In all cases a mobile phone should be switched off in order to avoid distracting the other players.

Using a mobile phone as authorized by the rules but distracting other players:

- a. First offence: the player is guilty of a breach of etiquette and should switch off her mobile phone.
- b. Subsequent offence: the player is guilty of a serious breach of etiquette and the Committee may impose a penalty of disqualification under rule 1.2b (see also Committee Procedures, Section 5I).

### 18. Use of distance measuring device

Only devices measuring distance are allowed.

### 19. Sponsoring

Limited name and logo recognition is allowed on golf equipment and clothing (max. 10x3cm or 5x5cm). The player's name must not appear in connection with sponsor's name or logo. The ESLGA-Committee has to be informed beforehand (and by sending photos) and must approve the advertising (General Guidance Notes for Rule 6 on the Rules of Amateur Status).

## VI TROPHY and PRIZES

### 20. Prizes

The Trophy will be presented by the host country to the winning team who holds on to it for the ensuing year. The winning country will be responsible for the cost of engraving, insuring and maintaining the Trophy.

The ESLGA will present medals including strings to the members of the winning team, the second team and the third team. If the host wishes they can organise/give additional prizes.

## VII RECOMMENDATIONS

### 21. Last year's winner

Last year's winner is automatically set.

### 22. Dress Code

Please respect the dress code of the organizing golf club.

### 23. Captains' Meeting

The Captains' meeting will take place at the end of the practice day of Marisa Sgaravatti Trophy. The Tournament Director, Head Referee and all Team Captains should attend. Local rules, course conditions and "Pace of Play policy" (Rule 5.6b (3)) will be explained; questions from captains will be answered. The recording area shall be indicated.

### 24. Etiquette

As the friendly and sporting character of the tournaments is an important goal of ESLGA, participants should enjoy themselves, while playing and behaving in the true spirit of the game.

The final results should be ready at the Closing/Prize giving ceremony and be presented and distributed to all team captains.

Members of the Tournament Committee, referees and Captains should speak and understand the English language.

To avoid slow play:

- the course will always be played from ladies forward (red) tees, whatever the course length is
- pin positions to be reasonably placed
- the Tournament Committee should provide forecaddies where necessary
- the captains should inform their players:
  - to be on the right starting tee 15 minutes before the starting time
  - when searching for balls, to give priority without delay
